

POSITIONS	Assistant Professor, Universität Mannheim , Mannheim, Germany	August 2025 - current
EDUCATION	Ph.D. in Economics, McGill University , Montréal, QC, Canada M.Sc. in Financial engineering, Temple University , Philadelphia, PA, USA B.Sc. in Finance, University of Kansas , Lawrence, KS, USA	2019 - 2025 2016 2015
RESEARCH FIELDS	Econometrics, Dynamic Causality, High Dimensionality	
RESEARCH PAPERS	“Simple robust two-stage estimation and inference for generalized impulse responses and multiple-horizon causality” with Jean-Marie Dufour (McGill University). “Sparse VARs do not imply sparse local projections: robust inference for high-dimensional Granger causality” with Eugène Dettau (Université de Montréal). “Local projections identify the same policy counterfactuals as empirical and structural models” <i>sole author</i> “Causal channels, mediation analysis, and higher-order impulse responses” with Jean-Marie Dufour (McGill University).	
TEACHING EXPERIENCE	ECON 662D2, Econometrics, Winter 2023, McGill University ECON 742, Empirical Microeconomics, Winter 2023, McGill University E486, Microeconometrics, Fall 2025 Universität Mannheim E570, Macroeconometrics, Spring 2026 Universität Mannheim	
FELLOWSHIPS AND AWARDS	The Fonds de recherche du Québec - Société et culture (FRQSC) 2022 - 2025 GREAT Travel Award, McGill University, 2024 Grad Excellence Award, McGill University, 2019 - 2020, 2021 - 2024 The International Association for Applied Econometrics (IAAE) Travel Grant Clifford Wong Fellowship, McGill University, 2019 - 2020 Dean Certificate of Excellence, Temple University, 2016 The Distinguished Scholar Awarded, Temple University, 2016 Dean's Tuition Scholarship, Temple University, 2015 The Chartered Financial Analyst (CFA) Scholarship, University of Kansas, 2015 University Honors Society, University of Kansas, 2013 - 2015	
PAPERS PRESENTED IN SEMINARS AND CONFERENCES (* BY CO-AUTHOR)	2025: ES-NAWM (San Francisco, CA); University of Surrey (Guildford, England), University of Glasgow (virtual), Mannheim University (Mannheim, Germany), CIREQ Econometrics Conference (Montréal, QC); IAAE (Turin, Italy); CESG (Ottawa, Canada); EC2 (Lugano, Switzerland). 2024: ES-NAWM (San Antonio, TX); CEA annual conference (Toronto, ON); CIREQ Lunch Seminars (Montréal, QC); Macquarie University (virtual); CIREQ Econometrics Conference* (Montréal, QC); 2024 Canadian Econometric Study Group Meeting (Toronto, ON); Dagenais seminar (Université de Montréal); NBER-NFS Time Series conference* (Philadelphia, PA). 2023: CIREQ Colloquium on Econometrics (Montréal, QC); CEA annual Conference (Winnipeg, MB); International Association for Applied Econometrics (Oslo, Norway); Joint Statistical Meetings (Toronto, ON); 18 th CIREQ PhD Students' Conference (Montréal, QC); Asia Meeting of the Econometric Society (virtual); NBER-NFS Time Series conference* (Montréal, QC); Canadian Econometrics Study Group* (Hamilton, ON).	

2022: CMS-CFE conference (virtual); NBER-NFS Time Series conference (Boston, MA); 17th CIREQ PhD Students' Conference (Montréal, QC); CIREQ Lunch Seminars (Montréal, QC); IWH-CIREQ-GW Macroeconometric Workshop* (Halle, Germany).

CERTIFICATE	Passed CFA (Chartered Financial Analysts) Level III Exam	
REFEREE	International Statistical Review, Journal of Quantitative Economics	
LANGUAGES	Mandarin (native), English (fluent), German (basic)	
SKILLS	R, Matlab, Python, Stata, $\LaTeX$
